The screenshot shows the CADENAS website interface. At the top left is the CAD ENAS logo. The navigation menu includes HOME, LICENCING, HELP, and ACCOUNT. A dropdown menu is open under LICENCING, showing options for SOLD SOFTWARE, REQUEST LICENCES, and PARTNER. A language selector is set to 'english'. The main content area is titled 'REQUEST LICENCES OF YOUR CUSTOMERS' and contains three sections: 'Request licences of sold products', 'Request some Licences', and 'Call all own licenses'. Below this is 'ONLINE HELP AND DOCUMENTATION' and 'EDIT YOUR E-MAIL TEMPLATES'.

Introduction

After your successfully login you'll have the following options to choose:

- **Request licenses of sold products**

In this part you can request single licenses, but only one at a time.

- **Request some licenses**

In this part you are able to request all licenses for a company at the same time.

CADENAS

- **Call all own licenses**

In this part you are able to request all your licenses at the same time, all companies are listed, you just have to choose where they should be send to.

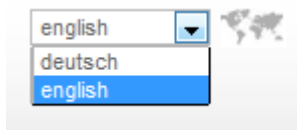

- **Documentation and help**

In this part you are able to view or download this help document.

- **Edit E-Mail templates**

In this part you are able to define or edit your own E-Mail template.

Change language of the User Interface

On the right top of the page, your able to choose the language which will be used in the hole user interface.

Currently only German and English are supported.

Menubar

The menubar is used as the central navigation in the whole application.

It is always visible to enable you to navigate back to pages without having problems with for example resending of content.

A short description for each point:

- **Home**

This link always redirects you to the start page. That's the page you'll be redirected to after login.

- **Licensing -> Sold Software**

This link redirects you to the single license query tool, here you're only able to call one license at a time.

- **Licensing -> Request Licenses**

This link redirects you to the multiple license query tool, here you're able to call all or a selection of order numbers for a company.

- **Licensing -> Partner**

This link redirects you to the partner license query tool, here you're able to call your licenses for all companies at the same time.

- **Help**

This link redirects you to this help document.

- **Account -> My Account**

This link redirects you to a short overview for your account.

- **Account -> Logout**

Click this link if you want to logout.

Sold Software

After clicking this link, the single license query tool shows up:

OPTIONS	SEARCH	Contacts
>> Extended Options	<input type="text"/> <small>Note: You can use wildcards within your search string for example "%CAD%".</small>	Show contacts <input type="checkbox"/>

<input checked="" type="checkbox"/> (ACTIVE)	<input checked="" type="checkbox"/> (EXPIRES SOON)	<input checked="" type="checkbox"/> (CANCELLED)	<input checked="" type="checkbox"/> (EXPIRED)	<input type="button" value="SEARCH"/>

Explanations of the choices:

- **Extended settings:**
Here you can enter the key code used for license directly; it is then filtered according to this key.
- **Search:**
Here you have to enter the name or number of the company.
- **Show contacts:**
If you want to show according contacts for your orders you should check this box.
- **Maintenance status:**
Here you have four options „Activ“, „Expires soon“, „Cancelled“ and „Expired“ for selection. Checked conditions are included in the query.
- **Button „Search“:**
Starts the query, could take up to 10 seconds max.

Partner License call

Overview

To enable you to easily call all your licenses at one time, we've built a special query tool.

You can use it via this link: (Loading could take a while, depending on the amount of licenses)

The screenshot shows the CADENAS website interface. At the top left is the CAD ENAS logo. The navigation menu includes HOME, LICENCING, HELP, ACCOUNT, and CONFIG. A language dropdown menu is set to 'english'. A dropdown menu is open under 'LICENCING', showing options: SOLD SOFTWARE, REQUEST LICENCES, and PARTNER. The 'PARTNER' option is highlighted with a red rectangular box. Below the navigation, the page title is 'REQUEST LICENCES OF YOUR CUSTOMERS'. The main content area contains the following text:

Manage the licences of your customers online! Our service enables you to ease and accelerate the licencing process of your sales.

- » [Request licences of sold products](#)
Request your customers' licences online and retrieve them within minutes via email. You even have the possibilities to update licences to new versions, to perform a hardware change or to reactivate or extend the maintenance runtime.
- » [Request some Licences](#)
It's now possible to send more than one licence at the same time in a comfortable way!
It enables you to work so much more efficiently and quicker. Pleasy try it out!
- » [Call all own licenses](#)
You are a partner of us and want to retrieve all your licenses at once?
No problem, your licenses can be accessed with just one click!

Below this, there are sections for 'ONLINE HELP AND DOCUMENTATION' and 'EDIT YOUR E-MAIL TEMPLATES', each with a link to 'Documentation and help' and 'Edit E-Mail templates' respectively.
